

Rubric (100 points) for Final Research Presentations in Chemistry Lab

Name									Topic				
Topic	Newsworthy/Current				Ordinary				More than 5 years old				
	5		4		3		2		1		0		
References	1 primary, 1 news/review, 1 other				Missing 1 reference				missing 2 or more				
	10				5				0				
Materials	Organized				Some Organization				Poorly Organized				
	5		4		3		2		1		0		
	Graphs/charts/pictures/1 error				Some visual appeal/2-3 errors				Mostly text/>3 errors				
	5		4		3		2		1		0		
	Good technical content				Fair technical content				Poor technical content				
	5		4		3		2		1		0		
	Newsworthy				Ordinary				More than 5 years old				
	5		4		3		2		1		0		
	3 references cited				2 or 1 references cited				No references cited				
	5				3				2				
Delivery	5-6 minutes without questions				<5 or >6 minutes				<4 or >7 minutes				
	10				5				2				
	Looks at audience				Some eye contact				Looks at materials				
	10	9	8	7	6	5	4	3	2	1	0		
	Audible				Somewhat audible				Inaudible at back of class				
	10	9	8	7	6	5	4	3	2	1	0		
	Scientific				Some scientific content				Poor science content				
	10	9	8	7	6	5	4	3	2	1	0		
	Smooth delivery				Choppy delivery				Unable to deliver				
	10	9	8	7	6	5	4	3	2	1	0		
Questions	Answered 2 good questions				Answered 1 question				Answered 0 questions				
	10				5				0				
Penalties:													
-20 Missing your explanation of the author's work which must not be referenced.													
-75 Presenting on a duplicate subject area without approval from instructor. Bonus points may be awarded.													
-100 Plagiarized work. No points, including bonus points, awarded. This is the minimum penalty.													
TBD Grades may be reduced for delays, lack of participation, and unprofessional/rude behavior.													
Bonus Points: 10 if presentation is scheduled and delivered before the last class.													
5 if topic submitted by deadline.						5 if references submitted by deadline.							
5 if presentation submitted to turnitin.com by deadline.						5 for attending, applauding, and asking questions.
